Lync - December 22, 2022, 10:11 am

Hello,

In celebration of our new beta release after over 3 years of service, We're giving away free 2GB Voucher Plans at Proxiware.

A Voucher Plan will require your feedback after 50% of your allocated data has been used. Once your feedback is submitted, you can continue to use the remaining data on your plan. This will help us gather more information on our beta and how we can improve our service.

To claim your Voucher Plan, please register and verify your account at [beta.proxiware.com](#). Then contact our live chat and ask for a Voucher Plan. Our live chat will be open Monday-Friday, 9AM-5PM (EST).

If our Live Chat is offline, please open a ticket and you will receive a response via email.

I will close this thread once the giveaway is over.
