Any vouch copies available?

Not to be harsh, but I doubt you deem trustworthy enough for this. Good luck with sales OP. If you want a vouch for a reduced price instead of giving it out for free hit me up. (If I deem trustworthy to you)

Well I am newer to the forum but I think that it could be useful getting views from difference people. I think a lot of fake vouching and stuff goes on. I was just asking because it never hurts? It doesn't even have to be for free, maybe a discounted copy or something?

Just my thoughts. Hopefully everyone has the happiest of holidays!

I like the thread design, good luck with sales OP

This seems interesting. Are you planning on giving out vouch copies or something similar?

Hey guys, thank you for your interest!

I really don't want to be rude, but you're violating the Marketplace Rules by asking for free vouch copies.

Quote:Marketplace Violations Rules List:

1. Vouch Begging - Do not ask for a Vouch Copy unless the OP explicitly offers it. Quote:Can I ask for vouch copies?

Not unless the OP (original poster) has clearly stated that vouch copies are available. This is the rule in the entire marketplace. You can't ask for them in PM either unless OP stated you can do so.

I keep receiving plenty of PMs and convos about it as well. I really appreciate that you want to boost my sales, but at the moment I do not offer any free vouches. If anything changes, I will state it very clearly in the main thread :)

Thanks!

Nice thread design.

Is the method considered white hat?

Thank you <3

This is something we should discuss in private to not violate the forum rules ?

Slightly luck dependent, but you should be paid every day if you keep everything rolling. Sometimes multiple times a day.

Yes, please contact me directly. I'm sure we can find the best option for both of us.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
