I have my own family , i wont be able to be with you 24/7 , I will help you with the method but sometimes you must be patient and wait for me.

No refunds after getting the method.

If i ask to enter in your pc via anydesk because you can't execute a step you can't say NO, I must be sure you are doing everything correct.

This is not full time mentorship , this is how to be verified on badoo (blue mark) and only that , i wont discuss any further details which you didn't paid , like how to get more adds, boosts, swiping etc

Im selling badoo blue mark and not how to be rich via badoo, you should know how to monetize your accounts.

Im not responsible for your actions via badoo : Example : scam meet ups , blackmail , you can use it as you like but I do not condone any illegal actions, this for educational purposes only..

This is not lifetime , once you get the method and get a verified profile im gonna support you for the next one day , but after that no (we will confirm it also together)

I'm not responsible if this gets patched, I will try to find updates if this happens but this isnt

guaranteed in any way shape or form (my opinion is it won't be patched anytime soon but I can't know this nor u should take this as granted).

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
