Don't want to write a long post.

All pricing is per case bases, you should have a budget set.
If you have interest feel free to reach out throug PM's or leave a post.

I have a question: can you also remove web pages that link to newspaper articles or similar? Can you also delete some blog posts? Thank you in advance.

This service is still active, keep in mind you'll pay 300\$ for work regardless of the result and the rest on delivery, middleman accepted.
