Thread: [TIKTOK STITCH METHOD | FROM 0 TO MORE THAN 1M VIEWS IN LESS THAN A MONTH](#)

anostali - December 25, 2022, 11:58 am

You've probably seen these Tiktok videos featuring girls shaking booty and having their adult CPA link in bio

They are literally banking - HARD Banking

How does this method work

You'll be stitching daily 3-5 videos of girls / per account (no explicit content)

And that's it

It literally takes about 5 minutes to stitch these video (if you found the videos you're about to stitch)

How would you know what to post? I'll show you examples and explain what to look for when searching for videos to stitch

You'll eventually get your FYP full of perfect for stitch videos so there won't be a need to find good videos

For testing purposes I've create a New account 2 weeks ago and Here are the results:

I've also created a new account on CPA Network to have a link in Bio (please note that i was lazy and i simply bought a domain and made it auto redirect to the offer :D No pre-landing page)

Here are the results for having the link in bio for 3 days 22-24 :D

You might say "But that's only \$11, isn't it low?"

Well I am a pretty lazy person, there were a lot of things I could've done better (Posting time / Make a Pre-landing page / Attract more people using the text in bio / etc)

And also these are the results of A SINGLE ACCOUNT - I'd say 11\$ made in 3 days while posting 3-5 videos which takes 5 minutes / day it's pretty decent

You could scale that to 10 accounts and would've been 110\$ in 3 days ?

I'll have 2 offers:

Since I've made the sells I initially needed (3 sells) I will be increasing the prices with 30\$ and this thread will be left open until 31th. (If no sells are made during these 3 days, Thread will still be closed)

70\$ 100\$ - for the method only

Includes:

I'll teach you how to stitch without the 3 seconds of recording

I'll show you what kind of content to post

Rest is up to you to find yourself an Adult CPA Network/Add twists/Updates to the method

120\$ 150\$ - Method + Support (Kind of spoon feeding until you start earning)

Includes:

I'll teach you how to stitch without the 3 seconds of recording

I'll show you what kind of content to post

I'll tell you twists I know would work well (Haven't tested them but I'm sure they'll work)

I'll work with you and remind you daily to post (I'll also provide you 3-5 videos daily to post)

I'll help you set up your CPA Account

I'll help solve any issues encountered (never encountered any issues)

I'll answer any questions you have

Due to it being such an EASY method there was no need for a PDF/E-book

After a short 5 min talk you'll be able to post your first Stitched video

We'll be using Discord / Telegram to talk and get you going

I'll be accepting only Paypal

(If you wanna buy with Crypto please contact any currency exchange seller on the forum and have them send through paypal to me)

Can this method be used on other niches?

Most likely - but I can't guarantee

Will it ever get patched?

Personally I don't think that the method can be patched (even lower chances if you start now and build up your accounts)

Please note that I'll be selling to a limited amount of people

No review copy offered. Please don't ask for any review copy - If you have any questions Simply PM me

Refunds available only if you decide you don't want the method

NO REFUNDS AFTER THE METHOD WAS TOLD

I'll consider the contract complete after I tell you how to post stitches

There should be a contract button somewhere here:

[contract=tid]Start Contract[/contract]

anostali - December 26, 2022, 3:50 am

Found a nice twist last night which got me more than 500k views in less than 24h ON A NEW ACCOUNT

It still needs to be worked on but so far the results are really great

Twist will be available for those who buy the second package :D

lacour - December 27, 2022, 7:30 am

I only purchased the \$70 method to stitch tiktok videos, as all I needed was traffic since I have my own private ways of monetizing it

So I can't comment on the CPA stuff but I did get 100k+ views on my first video

Exchanges - December 27, 2022, 11:27 am

Seems like you gave away the method with all of the details you gave. I would recommend giving less details now that you're vouched.

anostali - December 27, 2022, 12:59 pm

I do not intend to sell and forget, it ain't the way I do business

Plus - I do consider creating a good relationship with my "clients" more important. As it may be beneficial to me and to them in the future

Also - To do business right - At the beginning you must always offer a bit more than what they bought in order to have a "happy customers"

Update for the account presented in the first post of the thread.

At the time of posting it had
Followers: 3600
Views: 685k
Likes: 21k

And now 3 days later it achieved the 1M views
Followers: 5400
Views: Over 1M (can't say exactly since the analytics are delayed with 24h)
Likes: 33.2k

will be posting the analytics of the account tomorrow. If needed :D

So the account went from:
0 to 1M views
0 to 5400 Followers
0 to 33.2k Likes
in JUST 17 DAYS

And from now on the growing rate will only increase :D
(Please also note that this was just a test account - Initially i did not plan to sell the method and this was just an account i was messing on - meaning that i've tried posting what i shouldn't have and had days where I did not post at all. If consistently posting the account should've achieved 1M views much sooner)

Does this work for many different niches?

As long as you build and create different accounts for each niche I don't see why not

I've got the sells I needed, so the price has been increased :D
Sells will remain open until 31th - If no sells are made during these days I'll still close the thread

I will also be getting 2 more reviews later (I hope :))

\$neaky - December 28, 2022, 10:00 am

bought method, OP explained it to me. gonna come back with stats in a few days or less

yallapapi - December 29, 2022, 4:20 pm

Hi OP, I manage OF girls and wanted to know if this could be used to promote their pages.

Also, are there any additional costs involved after your method is purchased? Automation software, proxies, etc

anostali - December 30, 2022, 12:51 am

only 1 of the buyers bought it for adult cpa, everyone else bought it for onlyfans
there are no additional costs involved after that - tho it is not an automated method so if you plan to automatize it in the future you'll probably have to spend for that (or automatize it yourself)

MrCarco - December 30, 2022, 9:02 am

Hey, is it working for others niches than adult / OF ? Like not just girls videos

anostali - December 30, 2022, 9:17 am

Like not just girls videos
you're stitching viral videos so as long as the original went viral - your vids have a chance too

Ramsey - December 30, 2022, 10:02 am

Not sure if you're giving vouches. Keen on learning more here.

anostali - December 30, 2022, 10:27 am

Sorry I am not doing that :D

Also just so you all know

The sells stop in 28h - After 28h the thread will be closed and no more sells will be done :D
If you wanna catch a spot this is your last 28h chance

Edit: Last 12 hours of selling :D catch the final spots before it's gone :)

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
