Hey, I've been inactive but recently started being on HF again. Nice to see a familiar face! I believe you've MM'ed for me like 3-5 years ago lmao. Atleast I think it was you...memory kinda faded but it was a osrs transaction.

Anyways, goodluck selling the group!

At such a steal you're better off just giving Papa neight the group.

Someone needs to pick up this great group before I'm forced to sell a kidney and buy it.

Def a fire color if someone is looking to buy a group and not have to pay the big fee of changing it.

Good luck with the sale, [Zexo](#) . I hope this sells quick for you.

I was happy to be a part of Eden while it lasted, great people in it.

Still one of the best name colors on site! Good luck with the sale!

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Group for sale for 2k??? what happened to HF groups.

Im posting to come back because very tempted to purchase for a true blackhat group.

Only concern is a groups devaluing this quick.

If you're going to make a bh group this is the color to do it with. I'm not sure how much they'll devalue tbh hopefully hf can build up its og accounts section maybe.
