Thread: [\[CHEAP\] selling signature space for BYTES](#)

ubas - January 9, 2023, 6:00 pm

hi, i want to get more familiar with the contract system before i started distributing my wares.

im just selling my sig for fun, so my rates are low:25 bytes a day. youre limited to the 255 char limit
ill put up with anything as long as i dont get banned for it
please be interesting

just pm me the sig and ill use it :) message me for more details
