Thread: [Can you help me find this book on AI religion?](#)

James Burnham - January 23, 2023, 4:03 am

"The Church of Artificial Intelligence: A Beginner's Guide" by James D. Miller.

OMSPK - January 23, 2023, 4:21 am

This guy? <https://quilllette.com/author/james-d-miller/>

Might be talking about this book

<https://www.amazon.com/Singularity-Rising-Surviving-Thriving-Dangerous/dp/1936661659>

Could be completely wrong, but thats what I found relating to a James D. Miller.

Could be completely wrong, but thats what I found relating to a James D. Miller. That's a great book, I am reading it now. I don't know if it's the same book with a different title though, I doubt it

Nostre - January 23, 2023, 5:25 am

I find it strange I cannot find this book anywhere. I wonder why...

Quote:I am not aware of any book specifically called "The Church of Artificial Intelligence: A Beginner's Guide" by James D. Miller. It is possible that the book does not exist or that it is not widely known.

Confidently wrong could be right.
