well I come back once a year, so might as well check in for the 2-3 days, if that, that I'll be here.

Appreciate this community, well the old one, hope the new one and the oldies sticking around are doing good. This forum has helped me spice up my resume and learn new things that have given me a leg up in my adulthood journey. Thank you HF, Omni (though you -10 rep me cause I was a troll baby face mid-puberty assbat back then).

Without this site I would not have my side business, and a lot of my knowledge about tech.
