Thread: [1.3k fanvue earnings with e-whoring](#)

SIM-4932765 - January 30, 2023, 2:06 pm

As a lot of people may know, I sell an e-whoring guide about Onlyfans. With my second version of the e-book coming out, I want to test new websites and opportunities in order to get to know what's the best option to choose for each customer when guiding him.

So I've decided to test fanvue. It's not yet a very popular website for content creation, but it's growing a lot in the last months. I was impressed by the results and the user interface of Fanvue. It was easy to navigate and the website's support team was very helpful. Also, they have less commission % than Onlyfans.

Used one of my packs and gave it a shot. After a week I made my first big bag, 1.3k, maximum of 3h or work per day.

Next week I will post about another website that I'm currently testing. Can't vouch for it yet because the payout is taking some days.

My e-whoring guide, in case someone's interested:

I got a friend to verify the account for me. They took usually 3/4 days to review your account and let you withdraw.

Probably ID/selfie and link your bank. At least that's with OnlyFans.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
