You can now buy the Bytes Bag on the Buy Awards page for 25k Bytes. Price will continue to go up periodically. So the quicker you buy, the more you'll save in Bytes.

Thank you.

Seaking - February 3, 2023, 12:08 pm

Finally. I'll have to find someone to sell me some bytes real quick.

Sky - February 3, 2023, 12:08 pm

Went ahead and snagged it myself.
Nice award.

InspectorGadget - February 3, 2023, 12:15 pm

Possibly worthy of an award for the actual graphic artist.

Are you utilizing the 500 bonus bytes each week? It will add up pretty quick.

Just making 100 posts in a week will get you 500 bonus bytes.

Oh it was definitely far too late!
I usually increase the amount by crazy if I lose!
that 400 lost would have jumped to 3k to 9k to 14k to losing all on a whim XD.

Glad you were here.

I was just messing ? I wasn't aware of that bonus though, I believe I've gotten it a few times and haven't noticed. Thanks for bringing it back to my attention ?

Koyote - February 4, 2023, 10:11 am

Ahh okay time to save up some bytes and hope to work fast enough to get it before the next increase. Accepting bytes as payment for any of my methods!
