Thread: [Takedown Amazon Accounts / Merchant Accounts](#)

I-GANK-I - February 6, 2023, 5:24 am

Can anyone hook me up with some contact who does account ban / suspension services for affordable rates.

Need this for Amazon & bol.com

Reason being: Some merchants are copying my trademark name and pretending to be me, Amazon and similar sites don't give a shit about it for some reason. :) If you can help please DM.

Note: I can deliver evidence of my intellectual property and EU & US Trademark registration.
