Damn that was fast.

It looked like it'd be a fun game.

That was fast, I expected it to last a lot longer tbh. Hope I can run the game in medium-low graphics, cus I already bought the game lol.

Wow, can't believe you already finished it. That's awesome. The extra content should take some time as well. I've seen lots of good things about this game and can't wait to try it out. How did you like it compared to other similar open world games? If you've played them.

**Jamespalooza79** - February 8, 2023, 5:21 pm

Damn that's quick. I spent like 10 hours yesterday and only got through like 10%

**Mr. Robot** - February 10, 2023, 5:02 am

Bad ass [Mr. Robot](#) looks like a cool game. Should of made a video of the game content like I've seen on YouTube that are the entire game, but like a 1-2 hour video.

**Charlie Sheen** - February 13, 2023, 12:54 pm

I think I'm going to get this game. I don't know why I haven't yet. I just haven't been in the mood to sit down and play a game in a few days.
