Thread: [Newly minted legendary Colonel Sanders 11 Herb & Spice Recipe NFT](#)

FakeTrumpTweetsiOSApp - February 13, 2023, 9:03 am

And here it is folks the leaked notorious Colonel Sanders long lost 11 Herb & Spice recipe to the legendary KFC chicken. Here is the NFT below the 1 and only NFT copy of this.

<https://opensea.io/assets/ethereum/0x495f947276749ce646f68ac8c248420045cb7b5e/112997840145937224538426602369768375841953155880798324411260654028998217564161/>

Today is also my 44th birthday so feel free to give me a shout out.

Price has been drastically reduced on this NFT.

Alan Watts - February 14, 2023, 8:39 am

"price has been drastically reduced on this NFT."

lol

lol

Maybe snoop dogg buys it and puts in in the metaverse.

lol

Reduced the price again to the legendary 11 to match the herbs and spices. Lol

Pimping - February 16, 2023, 10:28 am

So why is this worth the price you say? Since looks like someone just got kfc recipe and minted an nft

it isnt that special imo

The 11 eth is the obvious easter egg reflecting the 11 herbs and spices. I honestly feel like this being the leaked copy of the actual recipe holds value in the NFT world.

dramadoll - March 10, 2023, 11:24 am

amazing nft doyou have the one with coca cola recipe ?
