This may be seen as sort of a lame or easy go to nomination, but mine definitely goes to [Nostre](#). Take my word or not when I say that he would be the person I nominate even if he wasn't a staff member. Mind you, the fact that he did get a staff position should make clear all the more why he's being nominated and why he deserves such. He's a very kind and respectful person, he's welcoming and helpful to other members on the site, and he's also immensely helpful to both Omni and the site as a whole. I remember Omni personally telling me prior to Genuine becoming a staff member just how much of a help and a good member he is. Considering the opportunity to become staff soon followed, clearly those words held a lot of weight. Anyway, all of those things would have left me nominating him even without the staff position as the position doesn't change anything in regards to the great member and person he already was, or the great things he was already doing here on the site. Let this post not only be a nomination for Genuine, but also a thanks to him for being such a great member, a great help to the site, and a kind as well as helpful person towards myself and others.

Vibe - February 17, 2023, 2:03 am

[Michael](#) because he's always spread laughs and keeping the spirit up in the convo, makes my day better ?

Eran - February 17, 2023, 3:59 am

I definitely nominate [Nostre](#) as well. As far as I know he lost all his awards in the past and definitely deserves to have more. One of my favorite members and I don't even know him for very long. He has always been helpful and such a chill dude. I hope he wins this one <3

Mac Miller - February 17, 2023, 4:22 am

Honestly, this is really hard.

I think I'm going to nominate [M1L3NK0](#) though. Although he's not the most active, he started up a nice community Minecraft server open to everyone, which I have been having a blast on these last few weeks.

A few runner up choices for me was OP (TheDuke), Sky, and Xen.

Yanix - February 17, 2023, 5:43 am

While there are many members I could name, the one I trust the most is [Lyrlei](#)

He have proven himself to be a loyal friend through good times and bad, always there for me when I needed him.

If given a chance I would love to nominate Siddy357 as the next one.

Sky - February 17, 2023, 5:54 am

I'd like to nominate [jcole](#)

I actually used to hate him, but after recovering from drug use and turning things around, he's shown he's a good dude that is pretty chill to socialize with.

One day at a time man.

theDuke - February 17, 2023, 11:19 am

Keep the nominations coming, love to hear how people have impacted this community!

Komodo - February 17, 2023, 12:24 pm

Going for my man [Cap](#) .

One of my favorite members on the forum, I always see him putting HF members problems before his own. Fantastic member.

MightyOne - February 17, 2023, 12:36 pm

My nomination is going for [Yanix](#) .

Ever since I remember him, he was always genuine, kind, nice, appreciative, easy to talk to and a friend.

He helped me get into B0SS crew when HUM was big, he pushed me into several awards and checked up on me along the way,

He tags a bunch of people on the daily Stanley threads for ages already free of charge.

He is always active on forums, sharing, caring, helping and posting his opinion.

I think he deserves recognition.

So this is my nominee.

perok - February 17, 2023, 12:39 pm

I have to absolutely say [Yanix](#),

One of the friendliest members on the forum, has given me many a replies to my threads and was so welcoming when I upgraded.

I see his presence on the forum plentiful spreading his good word and being an overall, nice guy.

Yuno - February 17, 2023, 1:55 pm

I nominate [theDuke](#) for being a sexy ass mofo.

Good luck with the award, my friend.

Cooligan - February 17, 2023, 3:00 pm

Event #3 is here!

For Nomination Day, I would like to nominate the member [Smexy](#)

Reason: Before I invited Smexy to my discord server (around 8 months ago now), I never really knew much about him. However in that time since then, he's become one of the coolest dudes and closest friends on HF in a very short time. We've chatted in loads of vc's, he gets along with literally everyone and my other non-HF friends, he's always helped whenever I or someone else has needed it without question, but most importantly is his loyalty that I've noticed. Loyalty is a huge contributing factor to someone's overall personality and potential friendship, and he definitely has it imo. That alone is reason enough to nominate him. Someone who I've actually got the chance to get to know fairly well over the last 8 or so months.

akhi - February 17, 2023, 3:13 pm

I'd like to nominate [Cuthbert](#) . I love how full his responses are. His vocabulary is top-notch, I always get a good laugh or chuckle when he is gangstalked in a thread.

He is always consistent, and constantly spreads positive messages of staying drug free and believing in God. Everyone rags on him, but don't tell me you guys don't like his solid debates and how easy it is to go on and on with him for pages at a time in any thread. Despite his negative rep, I

think he is one of the most HQ members on the forum.

I wish everyone the best of luck!

Thanks [Sky](#) that really means a lot and I'm happy to continue to try and change for the better. There's so many people I could nominate that can take this spot, but I think I am going to give my nomination to [Pentatonix](#) for creating the vision for what The Gold Standard as a group is and growing that into what we have now.

Pentatonix - February 17, 2023, 4:39 pm

I'm going to nominate [Hydra](#) .

He has spent years working on the HF news and other projects. He's been a positive force on HF for so long. Even after the group was disbanded, he continues to work on the HF News.

Exciting news ahead folks. Stay tuned.

clivensmith - February 17, 2023, 4:41 pm

I would like to nominate [StuffSneak](#)

Reason: has been very helpful with all the transactions i have done with him, and goes above and beyond. also has been a help to the forums

Pentatonix - February 17, 2023, 4:57 pm

I'd also like to nominate [Cap](#) . A long time member has contributed to this forum in a plethora of ways. He's one of the few group owners that actually try to ensure his group has a community involvement. Very solid guy.

theDuke - February 17, 2023, 5:03 pm

I would also like to nominate [Hydra](#)

The amount of work and time he has put into the HF News has been tremendous. We've had some great conversations back in the day and he really deserves an honorable mention.

Zesty - February 17, 2023, 5:14 pm

In their three-year mission to save the world from cyber terrorism, the hacker collective known as Zesty has been on the lookout for the best of the best in the hacking world. After much deliberation, we've decided to nominate [Zeus](#) as our top candidate--after all, he's the only hacker we trust to do the job without ever intentionally trying to hurt us or our mission.

I think I just vomited in my mouth a little.

We gotta be talking about the same guy then lol.

Mans a menace

Prettykitty - February 17, 2023, 6:03 pm

Nominating [aetherhf](#) , quite the knowledgeable user when it comes to programming, factory manufacturing work, and web server related things. He has made lots of contributions to the dark AI section, and continues to help members on the forum.

That's it, I want a divorce.

Nostre - February 17, 2023, 8:08 pm

There are quite a few members that came to mind when I saw this thread. I wish I could nominate them all but unfortunately, I can't. One of the first members that crossed my mind was [Komodo](#) . HF is very blessed to have a member like him around helping and creating a ton of contributions to the forum, especially the Health Wise section. He practically owns that section and has put many hours, if not, days worth of work into his threads. He is a great leader of COINED, a great member to have around, and a great contributor to HF. His sense of humor is awesome and he is always looking out for others in their best interest. He's a very humble individual and it shows. With almost 10k posts on the forums, not once have I come across any detrimental posts, they are all quality.

Hope to see more of your content in the future, Komodo. ??

Cap - February 17, 2023, 8:42 pm

Oh man, this is one of the hardest ones because there are so many people I'd like to mention. I'll nominate [Komodo](#)

This guy is one of my good friends I met on here. The dedication he has had to the forum hasn't gone unnoticed. He's provided the community with awesome, high quality medical content, donated his fair share, and has helped countless members. His attitude is something I admire and is always great to talk with. We are beyond lucky to have him on here.

Again, I wish I could name everyone that came to mind, but the list would be long.

LeetSpeed - February 17, 2023, 10:46 pm

I'll nominate [DemonAsylum](#) Every time I try to get 1st on the daily free bytes check in thread he beats me to it.
