Sorry about this.

Looking at the profile, definitely doesn't look trusted to me.

Next time, use a middleman for deals, there are many scammers here. But only trusted middleman, as they can scam as well.

Next time check someone's profile before dealing. Unfortunate you didn't see it, but someone else already had their money taken just a week ago.

Scammer account closed. Learn to use HF safely before sending money, not after. Any seasoned member would have warned you about this guy and told you to use a MM.
