How much data am I allowed to use with the shared datacentre proxies? I only need it for extremely light web scraping.

Aight, thanks for responding.

When I seen this image on your site and seen '1.00 GB Left' I just assumed you had data limits like all the other providers.

Theres just not any option whatsoever for \$6.99

You say you have 1000s of customers with reviews you have 15 (All suspiciously posted on the same date)

Think I'ma look somewhere else. If you're misleading this much something is probably up.
