This is legal in all 50 states I believe and I have ordered this for the past two years.
Now its on sale for \$40 an OZ + shipping, this is no referral - just wanna show others!

Delta 8 Sauce – 28 Grams with Cannabis Derived Terpenes

I recommend the White Runtz and Cereal Milk strains, they are all good tho!

This site works hand and hand with 3CHI, all lab results are on the site! Its very high quality and regulated.
