Maybe OP is referring to this one <https://hackforums.net/showthread.php?tid=6225437>

I got 500 bytes the other day from Stanley but the 250 bytes for making 100 posts in a week I guess I haven't received it yet from Stanley.

Yeah I was referring to this, how does this work? I should just post and comment normally and if I reach 100 posts in a week I could get the bonus?

Most likely that's the concept of that post bytes from Stanley, given out weekly if were lucky enough to do the required posts weekly.

Probably only posts you make...

Can you by bytes on the site or do you just earn it?

You can purchase bytes from active byte sellers in this section [Currency Exchange](#) or you can earn bytes from posting.
