Thread: [FREE 8 pack of Delta 8 gummies](#)

Legal in all 50 states I believe and I have ordered delta 8 for the past two years.

This is not a referral - just wanted to show others!

On 3chi's website they are offering a free 8 pack of delta 8 gummies with any purchase.

They have a 2 pack of delta 8 or delta 9 gummies for \$4.99 plus around \$5 for shipping so you could get 10 gummies for 10 bucks and they are solid for real.

Delta 9

The free gummy pack is on their home screen and should add to your cart automatically at the end (there's an option)

Also here's a post where I get 28 grams of delta 8 wax for \$40 plus shipping:
