Thread: [\[VIRAL MARKETING\] D-F-Y Viral Sites - Affiliate/CPA/Business etc +Method \[DISCOUNT\]](#)

?Border?ineExtr(A) - March 6, 2023, 12:27 am

Hi everyone, I've been doing this for some customers so I thought I'd offer a sales thread here and see if there's any interest.

Have you seen those viral campaigns that people share, like & follow on social media? You know what I'm talking about. You've got tons of examples on Facebook, Instagram, Twitter etc etc. A lot of users join the competition, engage with the business, refer friends, share/like/post/comment etc. and this makes the campaign go viral. Now can you imagine if you were promoting an affiliate offer or a CPA link from that campaign? That would basically mean thousands of people inviting their friends/followers to join YOUR giveaway and complete YOUR affiliate offer to make YOU money.

Now of course this is going to be kept exclusive and for the moment I'm not accepting blackhat offers (like spreading/fraud or whatever else), so if you'd be interested in purchasing one of these websites, I will charge \$350 only for the first website sale, and the price will increase with \$100 for every sale until it reaches the full price of \$1350/website.

If you'd like to receive the method + tools + softwares + exclusive info about maximizing your earnings, I will be writing a detailed guide later with all the info that you need to set this up and scale it up to make a lot of \$\$\$\$\$. I've been doing viral marketing for a long while now (since I joined HF, been a while lol) and my experience is that if you put in the work + have some upfront investment, you will be highly profitable with this method (I've seen people make 4 - 5 figures in a day going viral). Currently taking preorders for the complete package (method + everything that you need) with a heavily discounted price.

Let me know if you have any questions etc always happy to help. All sales are final and no refunds available - feel free to ask me everything upfront to make sure that this is a good fit. Payments via crypto only. Discounts are only available on a first-come-first-serve basis, check my last post or send me a message to see if any discounts are available.

[contract=tid]Start Contract[/contract]

Thread will be updated later with a better design & proof + reviews etc. I forgot to mention that I'd also be open to a partnership, if you have a big marketing asset (social media page/account) which can bring in a lot of traffic.
