Thread: [USA Residential VPN |Stable| No Logs |\\$60 LIFETIME | DDOS protected](#)

amy santiago - March 11, 2023, 4:36 pm

The most affordable and stable VPN on the market!

Features:

No Logs

Independently Managed

24/7 Support

Military Grade Encryption

1GBPS Per Location

Currently Locations

USA - Residential IP

Much much more!

We will expand soon so get in at the early pricing

Plans/Pricing:

Lifetime: \$60

No bandwidth limit

Questions?

Feel free to contact us va pm

We sell only the .ovpn files , Custom VPN Client coming soon.

Customer Reviews:

Will add

BUY

did you get it? how did it go

kad - April 23, 2023, 5:13 pm

Let me know when you're doing a UK residential or some country in the EU.

Foreigner.HF - June 15, 2023, 7:17 pm

Does it support port forwarding ?

Are u supporting port forwarding

Undead - September 6, 2023, 1:21 am

Do you offer some kind of trial before purchasing?
