Thread: [Love swap for daddy <3 + free bytes.](#)

?{ RadioActive Hack }? - March 25, 2023, 7:42 pm

Ok, so, I'm not really in support of love begging or swapping. I feel like it decreases the value a lot, but I really like that lil heart, so I'm here to whore for love.

This is the deal.

Love me and I'll love you back. If you write me a short dirty message and call me daddy I'll donate 10 bytes.

If it's really funny possibly I'll donate 100. This is not a promise.

This is just to make this a bit of fun. In reality, if a girl calls me daddy, it makes my dick softer than sticking it in dog shit.

53% of the way there. I thought I was closer, I have 84 QL in total, but i guess those aren't unique.

Only 1 QL counts as unique one, once a member send you another one it will not be counted for your QL award.
