Thread: [\[WTS\] 2.75b BULK OSRS GP - .29/m OBO -](#)

Justinpk - March 27, 2023, 7:50 pm

I sold my RSN so I have around 2.75b OSRS GP.

Ideally looking for around .29/m OBO and ideally looking to sell it all at once but might sell in smaller amounts if worth while.

Looking for BTC/Crypto or E-Transfer.

Can use middle man from HF with contract (will not go first, depending on how much you are buying we can discuss who pays mm fee)

NOTE:

Hey, just curious if you're familiar with hydra plugins?
