Profit, not revenue.

I know this is peanuts to a lot of you big ballers, but it was pretty monumental for me. I know Internet pimpin' won't last forever, but I'm sure gonna milk it until it dies.

Yeah, strictly Twitter and OF. Easy game tbh.

That is awesome buddy, keep up the good work <3

Toastbrot - March 28, 2023, 5:32 am

Do you have a contract with the girls and how do you get paid?

I do have a contract with all my girls. It's a pretty poorly written one that certainly wouldn't hold up in any court, but everybody's happy for now. Really should make updating that a priority tbh.

Also I really appreciate all the kind words from everyone :)

Do the girls get paid on their own bank account and then they just split it with you?

All I'll say is think outside of the box and don't waste your time sending hundreds IG/Twitter DMs every day

Tdot32 - April 29, 2023, 11:06 am

Are you offering any mentoring?

prettydeadly - April 29, 2023, 8:33 pm

So, ewhoring on Twitter and OF. I am new here, but I am looking to make money from home. Congrats.

ubuntu - April 30, 2023, 9:55 pm

out of curiosity, are you doing this as a male or female?

diablospartan - May 1, 2023, 8:02 am

I want to congratulate you bro as many people in my country work 2 or 3 years in a job to make this money

Be smart and dont lose all your money on fun

Invest your money ,learn to scale what you do and achieve your dream of earning big and living the life you want

(May 2, 2023 12:06 AM)phantomman55 Wrote: [\[CITE\]](#) dang how are you doing it? Do you have a model?

I had one to set everything up for me. She went awol few weeks ago but nothing has slowed down. Signed a few new ones in the 2 past weeks and am working on bringing them to scale.

sometimesgreen - May 9, 2023, 12:56 am

(May 8, 2023 11:16 AM)phantomman55 Wrote: [\[CITE\]](#) Is it easy money?

Yeah, but my way isn't really scalable (in that it's very hands on - trying to replicate it with other girls at the moment. just need 10/10 chatters) so you're maxed out at like 30-40k/month. Don't get me wrong it's amazing, but it could be a little disappointing to the business minded people.

Phunia - May 9, 2023, 1:25 am

That's a great income for the week, congrats!

What's your cut/split between you and the girls if you don't mind me asking?

How many people do you have chatting for you?

I tried doing the chatting for a few days for a "agency" that had 4/5 girls but the content provided wasn't very great and the % you got of sales was really poor too so decided to stop.

Greats earnings tho, here's to a 20k week!

sometimesgreen - May 12, 2023, 3:12 pm

(May 9, 2023 11:46 PM)phantomman55 Wrote: [\[CITE\]](#) 30 to 40k a month. That's insane amount of money. That's still good but you need to be less hands on. Is their any initial cost up front?

No direct monetary cost, but it takes time finding a girl with the right look for this subniche and convincing her to be the face of the operation.

I don't think it's called ewhoring when it's actual girls? Right? I hope you didn't do any fucked up Andrew Tate things. His BBC interview was bad.

Wow she gets away with not even doing nudity? I just meant the psychops games Andrew Tate encouraged because that stuff is actually illegal because pretending you love someone and want to marry someone to get them to sign a work contract is actually a super fucked up form of fraud.

Acteda - June 26, 2023, 1:14 pm

Congratz buddy, soon you will have 100k months.

DashPHP - June 27, 2023, 12:15 am

The OF structure seems to be the new wave for making fast money.

SashaBeliy - June 27, 2023, 4:27 am

\$10k is a big step in money making.

I remember once I wanted to make my first \$100, than my goal was \$1000, after it \$10 000 (which I'm blessed to have achieved) now I'm grinding for \$100k, let's see how long it would take. If I manage to hit \$100 k one day, I will aim for the million :)

Truth - June 27, 2023, 4:59 am

This is how Andrew Tate made his Bugatti money, personally not a huge fan, feels like I am walking on egg shells

But the money is green

Nah I didn't have to trick her or anything. I mean we were friends for a week or so (she's way out of my league so it's not like she had an emotional attachment to me) and I told her I could make her a few thousand a week easily. She just trusted me enough to say yes.

They get half. The \$10k that I was bragging about here was what was left after she was paid her half.

Toastbrot - December 26, 2023, 12:16 pm

Where can you actually find girls that are willing to work for you?

Jamika - January 19, 2024, 3:24 am

Seems good even as revenue, but looks excellent as profit, good work, keep the hard work

Mooooookie - January 20, 2024, 1:21 am

No screenshots/video for motivational purposes? I thought that was one of the main things people did.

What kind of business? I see 10k gross almost weekly in the security business but if its hands off

and doesn't suck up your whole life then that is awesome
