Thread: [Unlimited Free Alcohol From UK Tesco stores ^ ^](#)

BarcodeBoy - March 30, 2023, 10:35 pm

This is a unique and brilliant way to get lifetime free alcohol in the UK.

I social engineered this myself and have been using it for a few years.

1.
Go to any Tesco store In the uk.
2.
Pick up <£5 worth of beer or cider (not wine or spirits/mixers)
3.
Go to a manned checkout (no longer works in self serve as requires physical coupon)

4.
When cashier asks for payment scan the barcode provided on your smartphone screen, they very rarely even ask but if asked what it is you can make up any excuse from "I work for the company ABINBEV" to "It was posted on HotUkDeals.com"

5.
Take your alcohol with discount and receipt away and drink or sell!

This can be used over and over again, it can also be printed to fit the self service coupon slot and used there.

If you would like to obtain the full original voucher in HD to print as many as you like and sell or give away please PM me; I would love a donation for copies of this as I'm not the richest human!

6. Enjoy drinks on me ;)

I can not post links or images so please inbox me if you would like this magic barcode!

I do not think this works at all lol, unless the cashier has the brain of a 7 year old and has never been out in the real world then this method has not a single chance of working at all.
