Thread: [First online business \\$12k in 4 months](#)

MOE - March 31, 2023, 5:43 pm

So I've gotten hacked once, PayPal closed 3 times, Stripe closed 2 times, BMAC closed once, Cashapp closed once, & lost \$2,100 in chargebacks/cc fraud. AND our discord terminated...but we STILL KEEP PUSHIN P!

100 orders/month average in four months (today is our close) ?

Why do they all ban? Hell Paypal went through a period of refusing to pay erotica writers. Anything profitable comes with risk of a ban I guess.

That's awesome! Proof that you really can't let anything stop you.

Lorem Ipsum - August 11, 2023, 5:09 am

You give me some Gary Vee vibes with that grind, well done and keep it up!
