Well when you put it that way I just have to buy some tickets.

Obviously is a rare one byte egg when I usually have them at 3 or 5 so we'll see how it goes.

Good luck on your lottery, wishing it goes well on the sales.

I threw one whole solid ticket at it. Hopefully it can win against the giants.

Good luck getting maximum profit from this egg. Already more than I ever get for them/.

That has happened on my lotteries before. Someone buying one ticket beating people buying 19 tickets.

I've gotten lucky from it a few times. Enough that when I see a 1 byte lotto, I love throwing in on it. ?

I sense something special about this egg. Seems like a must have. Best of luck on getting plenty of entries!

Thank you so much. I have added a link to a new BLUE EGG lottery only 19 bytes. Green is only one byte.
