Posting here to save the thread and remind myself.

Very interested, would love to know more if you could go into some detail in a PM. Nothing too specific of course, just an outline of what exactly you're thinking here. I'm very interested though for sure.

PM'd! Let me know if you have any more questions.

Could you please PM me with more details of this as well.

Will other people have the same products as me?

Ventures - April 5, 2023, 3:35 pm

(Apr 5, 2023 02:31 PM)illadelph Wrote: [\[CITE\]](#) Will other people have the same products as me? No--they'll be different items but keywords may be similar. It just depends on what's hot right now. For example, the last store I set up for myself I had like six mushroom lamps. Not even joking, people want mushroom lamps for some reason. The items will have been researched for highly searched niche keywords and as good as a guarantee that you'll make your money back with minimal effort.

I'm not promising you'll be a millionaire but the store I mentioned above did \$274 in sales in a week for 5 sales. You'll notice that maybe 4 - 7 of the products do significantly better than others, because obviously I can't promise every single product will be a winner.

blvckmonk - April 5, 2023, 4:29 pm

Do you have past results?

NoSuchAgency - April 5, 2023, 6:19 pm

Please send me some details about this!

Will update thread with this tomorrow

sumospim - April 7, 2023, 6:07 am

Cool idea, like others, if corporate gig, what I would need to do my side (I'm interested to learning long term)

BiNBo - April 7, 2023, 7:42 am

Went ahead and got the ball rolling today with the first tier package, will update as it progresses. So far looking good though! OP has been very easy to talk to and has been very willing to answer any questions I've had so far.

OMARATION - April 7, 2023, 3:03 pm

PM me more info about this and we'll trial it out. Your discord too.

If it works well we will setup a lot.

GUERO - April 8, 2023, 9:36 am

Really want to see how these stores look and possibly set one up for my wife to run for me as some side income perhaps.

Interesting service you got here.

Aeowulf - April 8, 2023, 10:08 am

Do you have an example of one you can send me?

What do you get it out of it though if you're fully managing and splitting the profits?

SIM-2508228 - April 8, 2023, 10:41 am

just sent you a message about this

Ventures - April 8, 2023, 12:49 pm

Am only going to do 3 packages from each tier for promotional pricing

usenet - April 14, 2023, 12:30 pm

Interested but as other have asked, I would like to see a preview of the store. Don't want to pay extra for the branding if it looks poor.

Seller has a open dispute not starting this task almost 2 weeks after receiving a \$99 payment doing no listings at all from another buyer. View deal dispute section. If seller is quick to receive payment from anyone here he should be quick to begin task. Not a good sign anyone that wants to deal with

him smoothly and quickly. This type of task for 7 listings can be done in a day.

He is ignoring me now so another dispute is coming.
