Epics Duplicate File Remover/Space Saver!

I know there are many programs out there like this one, It works fast and extremely efficient and can get the job done VERY quickly as I will show in a few GIF images as well.

Get lifetime on all my softwares on my threads for \$75 DM me.

Sick of not knowing what files are duplicates on your PC? Running out of space and need to free some space up? Have massive amounts of music files but just not sure which ones are the EXACT same? Welp, This is the tool for you, Advanced methods of detecting if the files are duplicates as well as checking hashes and much more to tell you if they are the same file or not!• Clean Out Files Fast And Easy

- Multiple Methods Of Detecting If Files Are The Same
- Can Scan Thousands Of Files A Second
- Tells You How Much Space Will Be Saved Upon Scanning
- Shows Running Time And Time Left Before Completion

I would like to test this out. I have ample files on my hard disk to test it out. Let me know if I can get a vouch copy. Thanks.
