Yeah, totally my idea!

Sounded like you were joking ?

Much appreciated tho <3

Pshaw... Thats a formality.

Im sure you can fill that in yourself ;)

But you gotta admit, Santa firebombing is pretty dope lol

Oh well I never actually read the OP thread....

Lemme smoke a joint and get back to ya.

A realistic alter-history photo would by Sir Lizard though.

ALL HAIL OUR LIZARD OVERLORDS!!!!

Woah. I really like the HF award.
The second one ment an actual historical event altered. Like Hitler doing ballet or 2nd world war with waterbombs.
Lets see how the rest of the applications go

A few words for you
Im just a cool guy, nothing more, nothing less.

List 5 pros & 2 cons of having you in a team
Pros.

1. Always online in one way or another
2. Can provide discount to new service I am working on (release soon)
3. I can offer discounted web design services
4. Humble guy
5. Been around forums since 2009

I don't have cons sorry

Why do you want to get in?

I want to get involved in more groups and indulge myself deeper into the HF community.

Also if you are interested a lot in AI, I was actually interested in setting something up similar to Jasper.ai, not 100% sure but there could be people in the group interested in helping.
