Thread: [Remote Access Tool Trojan List - Android](#)

zipixchoo - April 17, 2023, 3:46 am

Please don't download the project if you won't be infected by Trojan, make sure to recheck before downloading or installing from an unknown source (Trojan in a Trojan??).

DroidJack [GUI]

Camera, Microphone, Location

Storage

SMS, CALL, Contact

Whatsapp Reader

Browser History

App Manager

AndroRAT <https://github.com/DesignativeDave/androrat> <https://github.com/karma9874/AndroRAT>
<https://github.com/The404Hacking/AndroRAT> [GUI]

Contact, Call logs, Call, SMS

Location, Camera, Microphone

Streaming video (for activity based client only)

Do a toast, message

Give call

Open an URL in the default browser

Do vibrate the phone

SpyNote [GUI]

Bind app, Storage, Location

SMS, Call, Call logs, Contact, Camera

Listen live conversation through mic, record mic sound live.

Check browser history.

Check installed apps.

Get phone's information (IMEI, WIFI MAC, PHONE CARRIER).

Fun Panel (Show messages, shake the phone etc)

Keylogger and fingerprint-device duplicate

History browser and Call log, SMS Email logs, create a Call and SMS

Contact and calender

Shell as root (rooted/rootable)

Cerberus Banking [GUI]

Bots

Bank and CC Logs information

Mail logs

SMS, Call (+Forward), Contact, GPS, Audio

Monitoring all activity / logs

Push to turnoff Play Protected (Disable)

Download, Install, Remove Apps

Lock device

Joker (infect many apps in playstore)

SMS CALL CONTACT

Storage

Manipulating subscription (money)

Hawkshaw <https://github.com/saksham2410/Android-RAT---Hawkshaw>

similar "Adroid Spy App"
Call, SMS, Contact, Phone Information
Camera, Audio, Location, Storage
Account Detail
Lock, Vibrate, Flash
Owner Access (Boot)
Inject, Install / Remove Apps
Logs and Keylog (messenger, socialmedia)
Strandhogg

Hijack Session, apps log
Almost all permission
TearDroid PHP <https://github.com/ScRiPt1337/Teardroid-phprat>

Retrieve Contact
Retrieve SMS
Retrieve running Services
Retrieve Device Location (? Only work when the app is open on newer devices)
Retrieve Call Logs
Run Shell Command (use findphno command in run shell command to get device phone number
and use findx:pdf to find all the pdf files on the device)
Change Wallpaper
Send SMS
Make Call
Get Installed Apps
Download File
Read Notification
AndroSpy <https://github.com/qH0sT/AndroSpy>

Camera
SMS Contact Call
Storage
Install, Inject
GravityRAT

SMS Contact Call
Storage
exfiltrate
BlueEagle jRAT

similar "jRAT"
Call, SMS, Contact, Phone Information
Camera, Audio, Location, Storage
Account Detail
Owner Access (Boot)
Block google protect
TalentRAT <https://github.com/honglvt/TalentRAT>

SMS CALL CONTACT
GPS
CAMERA AUDIO
WH-RAT <https://github.com/wh-Cyberspace/WH-RAT> [GUI] (Similar with SpyNote NjRAT)

x soon

etc

Mass RAT <https://github.com/NYAN-x-CAT/Mass-RAT>

sms call

storage

camera, etc

HaxRAT <https://github.com/Hax4us/haxRat>

storage, camera

audio, etc

Rogue RAT

Camera, Audio

Storage, GPS

Keylog, etc

LodaRAT

Camera, Microphone, Phone

Storage, GPS

Install, Account Credentials, etc

Rafel RAT <https://github.com/swagkarna/Rafel-Rat>

GPS, Storage

Camera, Audio, Phone

Ransomware ? (Syntax)

Browserhistory (prefer to syntax)

StrongPity

GPS, Storage

Phone, Boot, Network Info

ERMAC

SMS, CALL, CONTACT

InstallApps, GetApps, Inject

Android Spyware <https://github.com/CanciuCostin/android-spyware>

SMS, Call, Contact, Device Information

InstallApps, GetApps, Inject

Cam, Storage, Mic

Adb command control

BRAT (Brazilian RAT)

Install and remove apps, GetApps, Inject

Factory Reset

Admin Control

Nivistealer (web steal based - allow/permission interaction)

<https://github.com/swagkarna/Nivistealer>

IP, GPS, Device information

Camera, steal clipboard

set phishing site

DogeRAT

Install and remove apps, GetApps, Inject
Camera, SMS, Keylogger
Admin Control etc
Dash [GUI] <https://github.com/muneebwane/Dash>

Camera
Multiple Child clients
Hidden app icon (stealth mode)
Real-time location.
Recording calls: incoming/outgoing.
SMS: received/sent.
Environment recording.
Take pictures.
Keylogger.
Phishing social network.
Notifications received: Whatsapp, Instagram, Messenger.
AIRAVAT <https://github.com/Th30neAnd0nly/AIRAVAT>

Storage, Admin Permission, List App
SMS, Call, Contact
Camera, Audio, Screenshot
Ransomware, Shell Command
IMG-RAT

Storage, Camera, Audio
SMS, Call, Contact
Keylogger, Shell
Nexus

Storage, Camera, Audio
SMS, Call, Shell, Location, Keylogger
Inject Banking, Crypto app
2FA app

seekingsolace - April 18, 2023, 11:47 am

Can I get a tutorial on the easiest one to use?

goldwhite - April 18, 2023, 11:51 am

obviously we are talking about all open-source Rats, good Rats for android are currently all paid for, there are many on the market.

LeetSpeed - April 23, 2023, 10:20 pm

Thanks for this list.

cptAxe - May 19, 2023, 7:38 am

Thanks for sharing this.

launaturn - June 13, 2024, 10:05 pm

lol that was a lot of typing

Unchained - October 21, 2024, 2:54 am

(Apr 18, 2023 11:51 AM)goldwhite Wrote: [\[CITE\]](#) obviously we are talking about all open-source Rats, good Rats for android are currently all paid for, there are many on the market. Which one you would recommend ? years before (10-20 Years) i used Cerberus :D but i dont know what is the new standart.

Greetz :)

SteelFistX - October 21, 2024, 7:06 pm

Thanks for this list.

passerino - December 17, 2024, 4:13 pm

thanck for this list

Jayjonjah - December 25, 2024, 7:50 pm

Thanks for the list. I appreciate

Tyr - December 25, 2024, 7:56 pm

Nice list. Any attack methodology for payload?

john.corner143k - December 26, 2024, 11:06 am

Thanks a ton for the List..!! Saves a lot of trouble of finding from different places..

onionsboi - December 26, 2024, 12:13 pm

(Apr 18, 2023 11:47 AM)seekingsolace Wrote: [\[CITE\]](#) Can I get a tutorial on the easiest one to use? any sources or names you can share? I've been disappointed with the lack of options available on here so far. Thanks

hhhkkk - December 27, 2024, 2:18 am

Nice,This is a great list, I need this

SIM-5603357 - December 27, 2024, 7:42 am

good, thanks for list

passerino - December 30, 2024, 7:59 pm

thaaaaaaaaaaaaank nice .
