Thread: [I need files for PMA and scanning](#)

RXGG12 - April 21, 2023, 6:32 pm

Can someone please provide me with the proper files for pma with a working pbot as well as scanner. I know its a dead exploit I just want to do it for fun but all the links ive found don't exist anymore or don't work right. If anyone could pm me or add me on discord that would help a lot.
