Thread: [Beast | Streetwear Clothing | Limited Edition Items Pre-Order](#)

N1ghtm4re - April 21, 2023, 10:46 pm

Hello,

I'm doing some Pre-Orders for some exclusive items from my clothing brand, I thought I'd give it a go at posting them here if anyone were interested. I design Streetwear, similar to Supreme, all my items are low quantity and only made once. This time around, I have a Oversized Pumpkin Halloween Themed Tee, Stacked Jeans (Patterned), and a Nylon Track Jacket. Each order comes with 10 of our Burnin BlueStrip stickers as well.

Clothes:

Sticker:

You can Pre-Order via PayPal, CashApp, BTC.

Sizes for Shirts(\$50):

10 Smalls, 25 Mediums, 30 Larges, 25 XLs, 10 2XLs

Sizes for Jackets(\$100):

10 Smalls, 25 Mediums, 30 Larges, 25 XLs, 10 2XLs

Sizes for Jeans (\$75):

10 size 30s, 25 size 32s, 30 size 34s, 35 size 36s

Stickers are also on Pre-Order 5 for \$10.

Please keep in mind this is a sales thread I'm not posting this for critique of my work. All designs are 100% custom, all items are Heavyweight, High Quality Fabrics. Prices are Higher than Ross and Walmart because of the Cost of Artworks + Design Costs + Manufacturing + Shipping + more.

I will be posting samples as soon as they're in. Orders will ship after all 100 are sold, if not by our private deadline they will be shipped before.

Let me know!

The list will be open for about a month, let me know if anyone wants to get some exclusive clothes!

May possibly be partnering with another HF member for my brand, if it works out, we'll be selling Jackets real soon.

I have a quick question. The reason you're waiting to ship after 100 are ordered, is this because you will have them produced with money that is paid?

And if first 100 are not sold, people will be refunded?
Also is this the only place you will be advertising?

Just wondering, might want to order a shirt to help out, but want to make sure the 100 order will be reached.

Of course, and of course not. This is a regular clothing brand, not a HF project. It will be promoted world wide, I have a pretty thorough plan for it, and like I said like two posts above I'm pretty close to closing a deal with an investor. That being said, you'd probably end up getting merch sooner than you'd expect.

All purchases are greatly appreciated, and thank you for your interest in my brand!
