Which One you got?

The Walking Dead Or The Last Of Us?

PurpleMoss - April 25, 2023, 12:53 am

Not seen The Last of Us. Walking dead was good but got boring. If you haven't watched Znation, that's brilliant.

The Walking Dead is one of the great series I have seen from start til the end and now waiting for the next season hoping there will still be on a making but The Last of us, can't tell anything about it for I haven't seen any episodes of it. Maybe after the Breaking Bad series I might be able to see that one.

Absolutely The Walking Dead, fantastic TV series. I still tried to watch a few episodes of The Last Of Us but I wasn't thrilled.

Last of us for me. Smarter, more purposeful.

The Walking Dead started very well, but I think the last episodes (including the spinoffs) are too much of the same. Very uncreative storylines.

To be honest with you I enjoyed The Walking Dead but I don't remember which season it was but I just suddenly stopped watching. It got very boring. The Last Of Us is amazing. Unlucky they have that annoying little girl as the actor though, am I an asshole?

The walking dead was a great show when I watched it. Eventually I lost interest. The last of us is a good story but it won't last nearly as many seasons.

For me the best one is "The Walking Dead".

The Last Of Us, seen season 1 and now waiting for season 2, it was a great series.

Less than 2 weeks away. I really hope they release all of the episodes instead of doing it weekly, I want to binge watch.

TWD had great early seasons that established a decent fanbase.

TLOU had an already existing fanbase thanks to the games.

Early seasons of TWD were great, later on the show got too boring imo.

Last couple of seasons I enjoyed were when Negan was first introduced.

TLOU only got one season and I think it did great, I haven't played the games but I know a thing or two that supposed to happen.

tbh, hope they switch things up with the TV show but I reckon people who watch the show because they love the game gonna be PISSED.

Overall, enjoyed both. TWD aired longer than they should have. should have ended it 3-4 seasons earlier and just went with spinoffs instead of milking the main story so far.
