Thread: [\(FREE\) Banners for your threads](#)

DONSENATOR - April 26, 2023, 12:24 pm

Hello!

As title says i'm offering FREE banners/signatures for your services or just normal threads.

I will deliver them under 12h if i'm not too busy with my normal orders.

This offer is limited, i would recommend to use this as long as it is up.

Nice service OP. Feel free to make me one, however you'd like. I don't have one ATM. :)

Are you available?. Specifically, I'm looking for a custom logo. Been trying to use midjourney, but the learning curve is too steep cuz I'm stupid apparently. [Heart shaped lock/padlock, dreamy/foggy, bright neon colors(purple, pink, red), vaporware feels, with text [lockbae/lock.bae/Lockbae/LOCKBAE] dead center.

Also, feel free to use any creative liberties.
