Thread: [Riot Gun Buddy Service](#)

Done directly thru an employee, this service provides you with a Riot Gun Buddy applied onto YOUR personal account.

\$600 per buddy, service is completed within minutes up to a few hours at most.

A trusted middleman must hold your BTC/ETH funds while you wait for me to get the buddy applied, NO EXCEPTIONS.

Contact me to purchase or if you have questions, the price is not negotiable and the only payment I accept is crypto.
