Just loved your post and entered the giveaway, Im back to HF after years of inactivity back when you had to be approved for uber back when rep meant everything back before bytes were a thing. I'm getting back into the scene and this would help me so much I'm suspended from work rn so no income aside from uber eats which only pays very little compared to the gas it costs (plus in canada i cant instant payout so i cant even uber eats for the week as i have no money for gas) this would help me a lot getting some sort of e buisness started !! Thank you for this amazing opertunity and goodluck to everyone entering this contest! May the HF gods bless us all! :)

YorkD - May 9, 2023, 6:58 pm
