(DO THIS AT YOUR OWN RISK) Apex Bugs, you can glitch thousands of treasure boxes.
Be quick b4 patch.

Ooooh sounds sick for anybody who plays apex

Pootje - May 16, 2023, 9:28 am

I'll take a look at it

I think this method was quickly patched out a few days ago, unless I'm thinking of something else.
Someone will have to report back if they got it working.
