Ahaha ??? Lol

I need 1k for api and 400\$ for Hyundai.

And also payment first via middle man/escrow

Did i ask you to message me? Why you kept arguing?

I'm not rajib and neither from Bangladesh. Lol do you understand opsec?

And I'm living my life ?

Yes. That's why you see my reputation on every single Forum.
I do all transactions via middle man/escrow, not like you.

Don't talk anything without proofs.
Bring just one person, dispute in transaction

What me and my team doing, you can't imagine .
Don't waste my time
