Another vouch!

Bought 3 months again from [Elastic](#) and everything went smooth as butter.

Here's proof too:

Hey yes it is

playyboyy01 - August 31, 2023, 2:12 pm

This still available? Just got a new mac and this would be way more helpful than going through so much bs to find a cracked version

Elastic - September 10, 2023, 10:45 am

Price is \$70 for 1 year account for limited time

Do not spread false information, I replied to you and offered to fix your Adobe upgrade which is a personal upgrade on your own account. Not a private account, and much cheaper lmao. You tried to request a refund after months of using the service because you couldn't wait for me to get out of the hospital. Garbage customer. ?

Do you still provide this service?
