Thread: [Google Maps 5 Star Review Service | Better Rankings | Higher Traffic | More Sales](#)

SIM-5300886 - May 4, 2023, 12:16 pm

Why do I need to buy Google Reviews (Business/Places/Maps)?

Spoiler ([Click to View](#))92% of consumers read online reviews. Studies show one 5 star review increase on business rating led to a 5-9% revenue boost.

Google place and business page appear 1st in search results. When someone searches for your business, they will find Google review before they even see your website.

With high quality Google reviews, you can improve reputation of your business and increase customer base by getting people to visit your place or try your service.

A key component to rank well on local searches.
