Patience, your account will be closed soon, see you later.

It will be closed, but according to the [Help Docs](#), posts, threads, PMs etc. will remain even if his account is deleted.

Per the Help Documents:

Can I get my account closed or deleted?

Upon request we can close your account. We will first review the account to ensure you are the original account owner. If we decide to close the account it's permanent and you will not be allowed to return. We do not delete accounts once posts are made. We will not delete an accounts threads, posts, or PMs but over time these might eventually be pruned.
