Thread: [Not able to send live pictures on snap?](#)

OctyBaker - May 12, 2023, 12:16 pm

Hello guys, i cant send live pictures with snapchat anymore. Any suggestions?
I can still send videos but not just pictures to verify its meee you know.
Thanks in advance guys

You forgot to mention the method you're using rn to post lives.
Most people are going to say use OVF on Android to post lives. If you're already using OVF then it doesn't help you right.
