Thread: [Riddle CONTEST! v.2 Win \\$25 LTC](#)

javierpena - May 13, 2023, 8:20 am

In the first thread I posted a riddle which can be googled, so I closed it right away. This is second edition with new riddle. Good luck!

After my [Creativity Contest](#) didn't went so well with only one submission I've decided to make things a bit more easy for you.

This is a riddle contest. To enter you must Quick Love this post and answer correctly the riddle below

Here are some basic rules:

- the answer is one word
- You must Quick Love this post to be eligible for entry. If you have not Quick Loved the post your submission will not be valid
- Due to the above you will be allowed only one submission. In case of editing the post I will consider the entry invalid
- If more than 1 person guesses the answer correctly I will pick a winner among those members
- If no one answers correctly I will make another Riddle contest with the price from this one + \$25 so \$50 in total

Riddle:

its little and its black and it can lift even the king from his bed

Answer:

Good luck!

Edit: This ends 15 days from now, so winner will be picked on 28th of May

webdev77 - May 13, 2023, 12:57 pm

My guess is flea since rook is already guessed. They are small, dark, and can make even kings jump out of bed.

Please don't count my first attempt I love riddles and don't want to lose if my 2nd answer is correct.

Do I have to post it here, if the winner is not picked by the first answer posted I'd prefer to keep it a secret.

Just for some sort of proof for the thread my answer contains the letter "F" in the word and has an "E" at the end. I'm less confined with this answer, but its still pretty good. It could be it.

I originally thought the riddle was quick and it's black and it can lift even the king from his bed. I was so sure it was a shadow, I felt like I just expanded my brain 3 times with that answer, until I read the riddle again and saw it was not 'quick', but instead little. obviously, it's not a shadow, as they can be all sorts of sizes.

I understand but it is unfair to the other participants. Also unfair to me because honestly I got confused with which answer you want to enter the contest

Yeah, I get that, I wasn't trying to submit multiple answers and game the system. However, I understand why it was confusing.

Honesty, I'm less concerned about winning the prize and just having the winning answer. Although, I'm not super confident with Coffee, but it seems like a good choice.

Artisan - May 14, 2023, 10:35 am

I think the answer is dream.

Bad dreams or nightmares can wake everyone up which is probably implied here.

Peffer - May 14, 2023, 12:23 pm

Done quickloved.

My answer: fire

Thanks for the contest, OP.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Well i'd rather not waste my time brutng the salt if it's longer than like 8 characters long and is not a word or password format and is just like 20 random characters like !@#TG\$%UY456J]\g34#G
