Thread: [Midi's Coding Service - Desktop | GUI | RATs | Keylog | Coding HW](#)

Midi-Chlorian - May 15, 2023, 1:10 pm

Hello everyone! I have been coding for about 4 years now and currently work as a Software Developer for my main career. I am here to offer my skills and am always willing to help if I can :-).

I can make Desktop GUIs, RATs, Keyloggers, and will do coding assignments. Please contact me with details of project.

NO BLACK HAT. WHITE HAT ONLY.

Example of my Work:

[Web Based RAT](#)

Languages:

C#

C/C++

Python

Java

HTML/CSS
