Thread: [What kind of Bluetooth speaker do you have?](#)

?nxy - May 16, 2023, 1:14 am

I have an Aiwa Exos 9 and it's basically all around the best Bluetooth speaker I've ever heard.

Don't mind the skittles

VKNS - May 16, 2023, 1:19 am

I have three IoT Speakers in my house, all Sonos Fives.

"OK google, play country roads while I have a shit"

Almost heaven, West Virginia
Blue Ridge Mountains, Shenandoah River

Just looked at this on Amazon

I'm definitely buying one if mine goes out

Thank you

I have an Anker Black Soundcore Flare 2 Speaker for anything outside of my PC.
I use my Razer Leviathan V2 Soundbar for my PC whenever I don't wanna use a headset.

I also have one of these for easy carrying purposes

I like how it lights up and glows

I have a JBL bar 800

Deany - May 16, 2023, 7:48 am

Not gonna lie, those skittles look good as heck.

Do you know if they still sell these anywhere?

They're so damn good I bought all of them from the shelf in 2021

What kind of JBL speaker?

They have so many

I used to have a JBL flip 3 and it was quite underwhelming but decent to say the least. ?

pms - May 17, 2023, 7:17 pm

I own a JBL Flip 5, shits pretty good.

myboom3 great portable little sturdy speaker that works well outdoors

guido - May 17, 2023, 8:24 pm

I have a JBL and it's waterproof I used to have a boze too but I have it to a friend.
