Thread: [\[FREE\] My Top 5 ChatGPT Prompts For Online Business Owners & Marketer](#)

MrStepan - May 16, 2023, 2:04 am

Dear Hackforums community,

Today I decided to share my top 5 ChatGPT prompts for:

- Generating a high-converting sales page copy
- Generating a high-converting optin landing page copy
- Crafting a sales email for marketing
- Generating email subject lines
- Writing a YouTube video script
- Writing a high CTR YouTube video title (BONUS)

If you don't have the 10 bytes, reply below and I will send you the download link privately.

Hope you enjoy this content!

Do these prompts require chatGPT 4?

Aedan_ - May 19, 2023, 10:23 am
Mind sending me the link privately please? Excited to check this out.

Can I ask your honest opinion? Is this anything mindblowing or worth the bytes? (meaning something that isn't talked about all over YT or something). - Anyways, cheers OP for offering it for free to those who don't have the bytes! That's something I can respect.
