You may have inspired another silly rap video ? Give me a while. I'll come back to you. Been here a while ;)

Welcome to HackForums.

First actual good bars I've heard here since the short saga when Rap Battles & Hip Hop forum was created lol.

Liked n Subbed, will watch out for more.

Lol. Truth though, don't we all have a slight distaste for the majority of russian forces right now?

I'm rooting for Ukraine. Nobody deserves to be slapped outta house and home like that.

I like your voice - I'd love to hear some double tempo from you, I think it would be sick!

Also maybe switch up your flow.

Keep up the good work, Its awesome!

Already did!

Looking forward to it!
