marco: te deseo unas pelices piestas y un byen incio de ano nuevo. espero que el 2015 este lleno de momentos divertidos e inolvidables. y ojala algun dia te vengas a pasear con Alessia y yo. Aqui te dejo un libro muy interesante sobre la ciencia y el futuro. Espero que lo leas y te sirva de inspiracion para lo que vayas a hacer desues de la high school. Sabes que tenes que seguir lo que mas te guste hacer. Por mas que algo tengo muchos retos y dipicuttades segui adelante y regui tu pasion, con una mente abienta. Alessia me cuenta de lo orgullosa que esta de te. Espero este ano nuevo aprendas muchas cosas y le ensenes a tu familia lo bueno que podes ser. Cuidate much. Carlos Chinchilla Diciembre 2014

Marco: I wish you a nice holiday and a good start to the new year. I hope 2015 is full of fun and unforgettable moments. And hopefully one day you'll come for a walk with Alessia and me. Here I leave you a very interesting book about science and the future. I hope you read it and it inspires you for what you are going to do after high school. You know that you have to follow what you like to do the most. As much as something I have many challenges and difficulties, I went ahead and guided your passion, with an open mind. Alessia tells me how proud she is of you. I hope this new year you learn many things and show your family how good you can be. Take care. Carlos Chinchilla December 2014

I copied down what was written in the image. Guess middle/high school Spanish class was useful.
